MUDDY TRACK AT OAKLAND

RAIN SPOILS HOPED FOR FAST GOING FOR THE CHRISTMAS HANDICAP.

Restigouche Sick with Fever-Hanbridge Wins in Fast Time for the Track-Kelowna's Racing Investigated.

San Francisco, Cal., December 22.—Rain fell during the night and the fine card of six races scheduled for decision at Oakland today was run over a very muddy course. The projection of wet weather into a promised glorious Christmas week's racing is greatly deplored by the local devotees of the sport. During the afternoon Martin Nathanson announced his weight allotments in the rich Christmas Handicap at one mile and a quarter. Of the fifty-two eligibles, Restigouche and Montgomery, with respectively 126 and 124 pounds, are top weights. The former will probably not start. It has just transpired that he was seized with an attack of fever before being sent to the post in the Sacramento Handicap last Saturday and emerged from that brilliant victory a very sick horse. He has been alling ever since. Big Chief, the next highest weighted eligible at 118 pounds, will also be an absentee. President Williams' big three-year-old was brought over from Tanforan expressly for Friday's event, but will be returned because of the muddy going. While being worked over the side track in November, Big Chief's forelegs filled. This ailment disappeared since training over the Tanforan track. Other candidates are Dorante, 116, Royal Tourist, 113; Don Earrique, 109; Arasee, 104, and last, but not least, Clamor, 98. Experts picathe latter to win on today's race with Hambridge and his younger opponent. Bon Homme. In a thrilling duel for supremacy in today's feature, the Lorillard Handicap at a mile and a sixteenth, G. H. Holle's grand three-year-old prevailed finally in very fast time. Both winner and runner-up were enthusiastically cheered for their splendid efforts. Clamor finished a fast-going and close-up third and his forward running makes him a formidable factor in the christmas Handicap.

Favorites and second choices monopolized honors. It was a great afternoon for form players. Every victory was sensationally achieved. It was an altocher to stakes for two-year-olds, just closed. This is 192 more than last year.

NEW ORLEANS MISSES WINTER VISITORS.

New Orleans, La., December 22.—The monster mass meeting of business men and citizens to be held in this city next Monday evening for the purpose of asking the governor to call a special session of the legislature to repeal or modify the Locke law so that racing can be resumed is the outcome of the decreased number of visitors to the city and consequent loss of business to the merchants, botel keepers and the retail trade in general.

Bearish business expressions are being heard on account of the wide difference between trade this winter and last—the retail trade, especially. It is repotted that after the holiday rush a far greater number of employes and clerks than usual will be given ince, long vacations. Even now, on top of the advent of the holiday season, many of the business men and merchants are bemoaning the conditions and botel keepers are howling. It is said that the conspicuous absence of strangers from the city, except people who are coming here from smaller towns in the immediate neighborhood of the southern metropolis, is not at all approved, so the meeting to be held promises to be a rouser.

Financial conditions and the proper means of remedying them are to be discussed at the meeting. The restoration of racing is regarded as most important, but the revival of the French Opera is also desired and plans for both will be in order.

"Our point of view is entirely different from that of the turfmen." remarked a business man, yesterday. "The falling off in trade this fall and the city, compared with the hundreds here last winter, easily indicate that the proper attraction is lacking. For years, each winter, New Orleans has been crowded by visitors who spent their money freely among our merchants and filled our hotels, boarding and rooming houses. The average visitor remained here a month or so. They were coming and going continually, but the town was full of people and the majority of visitors who spent their money freely among our merchants and filled our hotels, boarding and rooming houses. The aver

Under date of December 7, the Paris correspondent of London Sportsman says of a remarkably promising young cross-country horse:

Veil-Picard's smart young steeplechaser, Pharaon, and last week I spoke of him as likely to win high honors over the Autenil country. On Sunday he won the Prix la Haye-Jousselin, the last big steeplechase of the year, the added money being \$8,000, and the distance of the race nearly three miles and a half. Pharaon is a four-year-old gelding by St. Frusquin, out of Peoria. He ran second to Dandolo in the Grand International Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, and he had previously won the Grand Steeplechase de Paris at Autenil last year, without the prix la Haye-Jousselin last winter. During his short career over jumps he had you nearly \$25,000 in stakes, and as he has not yet enferted on his fifth year he should have a very brilliant career before him.

"The Prix la Haye-Jousselin was formerly known as the Prix de la Croix de Berny. Since the change of title it has been won by some celebrated 'chasers, including Prefect (in 1898), Bucheron (in 1899), Killarney (in 1901 and 1902), Violon II. (in 1904), Dandolo (in 1905), and Royal Visiteur (last year). Pharaon is a most perfect fencer, never putting a foot wrong, and I should very much like to see him taking part at some future time in the Liverpool Grand National."

Centre Shot Defeats Montgomery in the Fastest Mile of American Record.

Los Angeles, Cai., December 22.—A new American record for one mile was created here today when Centre Shot, in a desperate drive, beat Montgomery by the shortest of margins. When the time, 1:37½, was flashed, a vociferous shout went up from the grandstand, as almost all present were aware that a new mark had been set. The former record of 1:37½ was held jointly by Kiamesha H, and Dick Welles.

The Carman affair after the running up of Fleming by M. Dooley yesterday afternoon, took on a more serious aspect when trainer Dooley reached the Carman stable after his reporting Carman, Jr.'s insult to Judge Hamilton. When Dooley entered the stable, he claims that R. F. Carman, his son, a blacksmith and some other man set upon him and beat him unmercifully. He was subsequently removed to a hospital in Los Angeles in a badly battered up condition, two of his ribs being broken. Judge Hamilton is awaiting Dooley's recovery when the latter will make a formal complaint in writing. Charles G. Gates arrived today and was the guest of Judge Hamilton in the judges' stand all afternoon. He says his father, John W. Gates, will be here in two weeks, also Colonel Lambert, who is a personal friend of Gates.

Peter Wimmer arrived today from Washington and says that the Madden contingent of borses will get here in a few days. Among the latest New York bookmakers to arrive are Leo Swatts, George Levy. Julius Ascherman and Robert Lloyds.

Centre Shof's great display of gameness was favorably, commented on by almost all present. Montgomery overhauled her twice during the flight, but she did not falter for an instant and in a gruelling and stirring last sixieenth drive reached the line a short head before him. Montgomery tired slightly for an instant when about seventy-five yards out, but steadied down fast in the closing strides and, finishing resolutely, would have won in another nod of the head.

Dr. Holzberg earned a bracket for himself in the second race, at seven furlongs, beating a fair band of two-year-olds after a sensational stretch run. The rest of the card was featureless. Tomorrow is cutin day, when it is expected that thirty books will do business, in which event all draw-in records here will be broken. The Carman affair after the running up of Flem-

Fred Burlew Granted a License to Train in France -Stern's Career in the Saddle.

New York, December 22.—Many horses that have been resting at the Long Island tracks since the local season closed will leave today for Savannah to take part in the thirty-days meeting which begins on Christmas Day. After that session there will be a shift to Tampa, where extensive preparations are under way for a long winter meeting. If racing at these two places is a success, there will be more improvements with the idea of providing continuous sport next winter to take the place of the former lengthy campaign at New Orleans. On Savannah and Tampa the poolrooms as far west as

more improvements with the idea of providing continuous sport next winter to take the place of the former lengthy campaign at New Orleans. On Savannah and Tampa the poolrooms as far west as Kansas City will do business, it is said.

Word comes from France that Fred Burlew and W. C. Hayes will be granted trainers' licenses by the French Jockey Club. Burlew has taken an establishment at Malsons-Lafflite, where Hayes, a well-known gentleman jockey, has leased Burgoyne's old quarters. He has a string of horses there owned by Mr. Saportas, and these will be reinforced by some of the Bonnie Brook jumpers, which arrived in England last week on board the Minnehala. In regard to opposition to racing at Savannah, which meet is soon to open, Frank J. Bryan, the secretary, telegraphs the following to New York: "Report that the Civie League is opposed to racing here is absolutely without foundation. There is no such organization here. The meeting is endorsed by the Chamber of Commerce, Board of Trade, Wholesale and Retail Business Men's Associations and Hotelmen's Association. Everything looks more than promising."

Mrs. Lily Langtry, who races on the English turfunder the name of Lady de Bathe, has instructed Messrs. Tattersall to sell her entire breeding stud, winner of the Ascot Gold Cup in 1900, and several others. It is her intention to give up horse-breeding and to devote more attention than ever to racing. Merman, by Grand Flaneur, out of Seaweed, is the soundest, hardest and most genuine stayer known on the English turf for many a year, and he was retired at the zentith of his form, after beating the champion of France, Perth II., in record time, for the Ascot Cup. He is the sire of Duma, Petchora, A Skipper, Aqua-Marina, etc.

George Stern, who has headed the list of winning jockeys in France for the fifth year in succession, has already ridden nearly 1,200 horses to victory and is still quite a young man.

From thirty-two winners out of 187 mounts in 1899, he went to top position the following year with eighty-two

MILITARY DAY AT EL PASO.

El Paso, Tex., December 22.—This was military day at Washington Park and the officers and ladles from Fort Bliss occupied the majority of the boxes, Quite a sprinkling of El Paso society graced the occasion to see the officers from the fort ride in the special race. The full military band of thirty-two pieces from the reservation discoursed the music, and altogether it was the banner day of the meeting. The track was fast and the sun for the first time in the past week had a warmth that was grateful.

NEARLY UNANIMOUS FOR RACING.

Hot Springs, Ark., December 22.—The committee appointed at a recent mass meeting will report to the Business Men's League tonight that about ninety per cent. of the property owners of the city favor the repeal of the anti-racing law enacted by the last legislature.

Centre Shot's gameness in pacemaking was remarkable, showed dazzling speed throughout and never faltered for a moment in a most trying effort and won under a terrific drive. Montgomery was within sharp and alert pursuit at all times, twice overhauled the filly and appeared to have her beaten in the final seventy-five yards, but swerved slightly under the whip, theen steadled down suddenly and, finishing resolutely, would have won in a few more strides. NOTES OF THE TURF.

E. J. Baldwin is gradually recovering from a recent attack of illness, which for a time threatened to develop into pneumonia.

Rome Respess has shipped a number of his year-lings to Montgomery Park, Memphis, Tenn., where they will be schooled for racing early next spring. James Martin, the crack steeple-chase jockey of Germany, who was the leading cross-country rider in 1907, has again won that coveted position for the season of 1908.

Charles Helfers, the former Chicago horse owner leaves this evening on the Overland Limited for Oakland, and will probably race a few horses there during the remainder of the season.

The two-year-old Lighthouse, by Watercress—Linda Vista, which won the sixth race at Oakland last Thursday in such convincing style, brought \$5,000 as a yearling, H. B. Duryea being the purchaser at the Sheepshead Bay sales in 1907.

Tom Welsh is confident that McCarter will train again, and intends to bring him back to Gravesend from the Hynes farm at Stamford. Conn.. where the four-year-old son of Knight of the Thistic has been wintering, and will race him again next season.

The Maryland Jockey Club will hold its regular spring meeting, which will be of sixteen days'

duration, beginning the latter part of March. 'Pimlico meeting will be the first one to be in the east next season and will take the place the Washington meeting of former years.

Pimilico meeting will be the first one to be held in the east next season and will take the place of the Washington meeting of former years.

President T. H. Williams, of the California Jockey Club, has approved plans for the further improvement of the Oakland paddock. A portion of the space adjacent to the paddock driveway will be devoted to seats which the lockey club management will provide for the comfort of paddock patrons.

Damy Maher, the American rider, who captured the leading jockey honors on the English turf for the season of 1908, is, since the close of the flat racing season, creating quite a sensation as a cross-country rider, and at this branch of the sport is displaying the same wonderful skill that has made him famous on the flat.

Little by little France is becoming a great horse-breeding country, and in a few years, if things continue to progress at the present rate, she will be supreme in Europe. English and Irish dealers, who in the past were accustomed to sell a good many horses to France, are already suffering from the closing of the French market.

D. A. Campbell, of Calgary, Alberta, has gone to Lexington, Ky.. with the intention of buying ten or fifteen thoroughbred mares to be shipped to his place in the northwest. He has the stallion Gay Boy and a number of broodmares stationed on his farm and has raced Gay Boy at some of the small meetings in that province during the past year.

Kendal, by Bend Or—Windermere, which died recently, is easily the leading sire in the Argentine this year, his stock having won fifty-three races, worth \$121,305. Other sires to win five figures during 1908 are Orbit, by Bend Or—Bright Alice, \$104,915; Neapolls, by Springfield—Napoli, \$77.330; Simonside, by St. Simon—Daisy Chain, \$78,200; Valero, by Gay Hermit—Jane Hading, \$52,2545, and Orange, by Orbit—Courbature, \$52,260. The first four are all English bred.

Winner—Ch. c, by Rancocas—Heeley (trained by J. H. Brannon).
Went to post at 2:35. At post 8 minutes. Start straggling. Won easily; second and third driving. Beoger Red drew out in the first stride and won all the way decisively. Fireball, from a lucky start, ran in forward pursuit throughout and finished gamely. Tony Faust, away slowly and badly outpaced, was carried hopelessly wide on the stretch turn and failed to get up in a great stretch rush. Grace G., away poorly and badly outpaced early, made a fast, but belated, stretch rush. Anna May ran forwardly for five furlongs, but went very wide on the turn and quit finally. The Mist ran in prominent contention to midway of the stretch and quit. Sir Lynnewood was virtually left and only cantered the journey. The winner was entered for \$2.000; no bid.
